HINDU VIVAH

Here's how we started off 2025 and what's to come!

Welcome to our Hindu Vivah newsletter! We are thrilled to share with you the latest developments in our mission to make a positive impact in our community.

Firstly, we would like to express our gratitude to all of our volunteers who have continued to support us unconditionally. Your dedication have allowed us to keep our programs running smoothly and effectively.

We will be hosting several in person events in June and July. These events are a fun and interactive way for our Hindu singles to make connections leading to relationships and matrimony. Hope to see you there!
